

## Good Neighbour Scheme

The Covid-19 outbreak will present many challenges to the local community, so with this in mind, we are setting up a good neighbour scheme to help each other through this difficult period.

The aim is to provide support whether that's arranging food or prescription deliveries, or just a chat on the 'phone, for those who need to self-isolate, and for those who find that their usual support networks can't get to them.

The idea is to have volunteers in each parish (listed below) supported by any additional helpers who can offer support. If you would like to volunteer to help, or need assistance yourself, please contact the following:

### For Aldersey

Beverley Edwards
