

CODDINGTON and DISTRICT PARISH COUNCIL

USE OF MUGA AND SCHOOL FIELD AT CLUTTON CHURCH OF ENGLAND PRIMARY SCHOOL

APRIL 2015

Multi Use Games Area – Completion and Hire

The March Newsletter of the Clutton Play Area Management Committee announced that the MUGA at Clutton Primary School was now available for community use and that pitch marks were soon to be marked out. We are pleased to announce that the MUGA itself is now complete and is marked out for Football, Basketball and Tennis (although we are currently waiting for tennis nets).

The MUGA is available from 9.00am everyday, apart from School Days when the community can start using it from 6.00pm, unless it has been booked for private use. The rate for hire is £10 per hour and to book the MUGA for this exclusive use please contact Helen at the School on 01829 782367. One local resident has already taken up this offer and the MUGA will not be available for general use on Thursday evenings between 7 – 8pm for 6 weeks from Thursday 23 April until 28th May inclusive.

We are currently finishing off the landscaping next to the MUGA and if you are able to help out during the Easter holidays with raking and seeding please Peter Mitchell (number below). All help will be gratefully received.

School Field – care required

Work is currently being carried out on the Early Years area at the School. The School field is currently very soft and two contractors vehicles recently became stuck in the field and had to be towed off. This has resulted in part of the field being 'churned up'. Work will be carried out to restore the field surface but in the meantime care should be exercised in using the field where it is very uneven.

Don't forget also that the Play Area, next to the School Field and MUGA, with its slides, rockers and climbing frames is also available most of the time for the young children of the community to enjoy.

Have fun!
